

MAINTENANCE RECORD

USE THE FOLLOWING SPACES to record information about your own septic system. Some of this can be copied off of your **Certificate Of Final Approval** which can be obtained from your county health department. Having good maintenance records can be a positive selling point for your home when the time comes (*wouldn't you rather buy a car that has a proven maintenance record?*).

This publication is based in part on similar publications by the National Onsite Wastewater Recycling Association (NOWRA), North Carolina Cooperative Extension Service, and Cornell Cooperative Extension. This project was funded by a grant from the National Oceanic and Atmospheric Administration (NOAA). Reprinting funded through EPA and Section 319 of the Clean Water Act. The South Carolina Department of Health and Environmental Control (SCDHEC), Division of Onsite Wastewater Management, and county health department staff members provided technical review and valuable input. This folder was prepared and published by SCDHEC Office of Ocean and Coastal Resource Management. Graphic design and layout for this folder was provided by the SCDHEC Art/Graphics Department.
